

## WINTER HOME SAFETY TIPS

Check to ensure all outdoor cameras and lights are in good working condition and are properly positioned

Check the batteries in your smoke alarm and carbon monoxide detectors; replace as necessary

Use timers for lights and appliances to give the appearance that someone is home

Clear gutters and downspouts of debris and check your roof for any signs of damage

Keep valuables out of sight and away from windows. Don't leave spare keys hidden outside your home

Keep your property well-lit, both inside and outside. Trim shrubs and trees near windows to eliminate hiding places
